Dear Ms Kingston

Notice of Planning Permission in Principle application for the erection of a high quality high-voltage electricity cable manufacturing facility, including the construction of a 185m high extrusion tower with associated factories, research and testing laboratories, offices with associated stores, transport, access, parking and landscaping with on-site generation and electrical infrastructure and cable delivery system on land at Hunterston Port.

On behalf on my client, XLCC Limited, please find attached to this letter a notice of the submission of a PPP application for the erection of a high-quality high voltage electricity cable manufacturing facility, on land at Hunterston Port.

The proposed site forms part of the former Hunterston Coal Yard within the wider Hunterston Port and Resource Centre (Hunterston PARC). The site is located on the west coast of Scotland, south of the settlement of Fairlie, and north of the EDF Hunterston Power Station. The project site centre point grid reference is approximately NS 20238 53343.

The application has been submitted on behalf of Mr David Kelly of XLCC Limited.

The application site lies within the administrative boundary of North Ayrshire Council (NAC). Address: Cunninghame House, Friars Croft, Irvine KA12 8EE

Any owner of the land, or any tenant, who wishes to make representations about this application, should write to NAC within 21 days of the date of this notice.

If you need any further information with regard to the application, please do not hesitate to contact me.
